

It's only something that is inside  
my blood. Outside, I'll be the boss.

Thembi Ngubane, age 19

# Thembi's AIDS Diary

A Year in the Life of a  
South African Teenager

A Radio Diaries documentary on National Public Radio

# Thembi's AIDS Diary

A Year in the Life of a  
South African Teenager

South Africa has the largest number of people with HIV/AIDS in the world. More than five million South Africans are HIV positive. Thembi is one of them. For the past year, she has been carrying a tape recorder and keeping an audio diary of her struggle to live with AIDS.

## On NPR's All Things Considered April 19, 2006
